Beyond BOW workshops provide opportunities to learn outdoor skills. Workshops are designed especially for women and are an extension of the Becoming an Outdoors-Women program sponsored by Montana Fish, Wildlife & Parks.

Kayaking is one of the fastest growing outdoor sports in the country. Join instructors Marc Bell and Carolyn Sime and learn the basic techniques and equipment needed to begin kayaking on lakes and other flatwater. Marc, fondly known as the "kayak lady," owns over 65 kayaks and has shared her love of this sport with hundreds of people. Marc and Carolyn will teach you kayak safety and basic paddle strokes on beautiful Hyalite Reservoir.

Participants will try a variety of stable, non-tippy kayaks including sit-on-top kayaks and sea kayaks. These are not the type of kayaks you do Eskimo rolls in. This class is not about whitewater kayaking. You'll be pleased to learn how easy it is to start kayaking!

Class will begin at 9:00 a.m. Lunch will be provided at noon. Instructors will be available to assist you during free paddle time in the afternoon. Hyalite Reservoir is about 30 minutes south of Bozeman. Participants must choose to attend either the Saturday class or Sunday class. Both classes are the same.

### Requirements to Participate

This class is for beginners. Women with little or no previous experience in kayaking are encouraged to apply for this class.

You do not need to have attended a "Becoming an Outdoors-Woman" workshop to participate in this program, but you must be at least 18 years of age.

You will be required to wear a life jacket while on the water at all times. If you have a life jacket bring it or one will be provided for you.

You must know how to swim.

You will need to bring a swimsuit or clothes that can get wet and dry fast. We also suggest sunglasses with strap, water shoes or aquasocks, hat, sunscreen lotion, bug spray, water bottle, and a folding chair.
